

- 以下の英文を読んで、その内容を 45～55 語の英語で要約し、解答欄に記入しなさい。
- 解答は、解答用紙の英文要約解答欄に書きなさい。なお、解答欄の外に書かれたものは採点されません。
- 解答が英文の要約になっていないと判断された場合は、0 点と採点されることがあります。 英文をよく読んでから答えてください。

Reading has been an important human activity for a long time. Just 50 years ago, most people had to buy physical books to read. However, nowadays, some people prefer reading e-books instead of traditional paper books.

E-books are convenient. They can be read on devices like smartphones, tablets, or e-readers, offering several advantages. People can carry thousands of books on one device, making it easy to read anytime, anywhere. E-books also allow users to adjust the font size or brightness, making reading more comfortable. In addition, e-books are often cheaper than printed books, and some can even be downloaded for free.

However, there are some downsides. Staring at a screen for a long time can cause eye strain, and some readers miss the feeling of holding a physical book. Additionally, e-books depend on technology, so without a charged device or access to the internet, reading might be difficult.
